

PROJECT NEWS

JOB REQUIREMENT

Sound Wall Envelope utilising Quick Built Acoustic Panel System

PROJECT

Residential Boundary Wall, Griffith New South Wales

PRODUCT

DESCRIPTION OF JOB

When clients were looking for a solution to their boundary wall requirement in Griffith, rural New South Wales, they contacted Joe at Griffith City Fencing. They were extremely happy with the Slenderline Acoustic Fencing solution.

Slenderline provides a masonry appearance without the requirement of expensive strip footings and construction. The fence is completed in a fraction of the time and cost of a traditional masonry fence.

The clean appearance of the Slenderline fence combined with the excellent acoustic performance made Slenderline the perfect solution.

Contact our qualified estimating team to discuss any projects that could benefit from the Quick Built Acoustic Panel System.
